

The Julia & Jade Foundation Affiliates

OSFAK (Organization pou Sove Fanm Karakoli.)

This organization has been working diligently for the betterment of the entire Grand'Anse, but mainly focuses on major tasks: Women and girls. OSFAK believes proper education will can and will bring a solution to domestic abuse, which has been a drastic problem worldwide. The organization has had obstacles while trying to build their first HARWA School program; however they're now in the process of building their own facility to implement launch the program.

Fanm Komba Jeremie

The members of this organization have been an asset to the FJUJA due to their unstoppable solidarity. They're been knocking on doors to get access to build a major school in the Grand'Anse, in addition to having a home-schooling system. Nearly 60 children have already registered.

KAPJER

This organization deals with agriculture and related research. They've been agreed to start a school. Door to door to find children for the school.

Dame Marie. About 5 different private schools agree to hear Kamal speak. They want to hear about the HARWA program.

ODEH (Organization pour le Developement Economic d'Haiti)

This organization has done tremendous work in Haiti in agricultural development and investment, but mainly engaging in transforming yucca in to flour.
